You left early? Was my speech that boring?
This is the guy who greeted the fres
in the au
30 minutes ago.
Kat
Maki
And after I went to all the trouble to look pretty for you, too.

the kick
This guy!!
Wasn't I the best on the advanced placement test?
I got top grades on my enterance test, and the interview went well... why am I not a representative?
My, don't you have an angry face.
It's Nagato Ayoba to you!!
Don't say that!

Aoba!
I regret what happened a month ago.
I hadn't planned on kicking him
sfx grab
It's just for a little while. It'll be fine
Hey, got a minute? I have a favor to ask of you
I'm taking collections. Lend me your right hand.
Right here!
I'm busy!

Oh!
sfx punch
I am NOT going to become your pretty little plaything so you can jack off!!
Don't fuck with me!!
You always
Always...
It's all right...
!
I have feelings for you...
It's not just your pretty face
Aoba

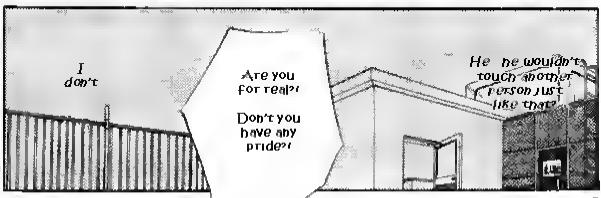
You don't have feelings!
You're just annoying!
Is he for real?
Katsuragi...
Are you applying for the Student Council?
!!
It's none of your business!

You need the recommendation of an active member of the committee
Who do you have?
Ha!
That's a stupid rule,
I'm already at a disadvantage because I got into this school by taking an exam from outside the school.
It's going to be hard for me to become a candidate
If I were to enter into the executive elections, I'd lose because of such an unfair rule
.....
My reputation
Since we're both in the advanced class, we should both do it together
Is he boasting? What a detestable guy
So, would it be all right with you if I do it for my own benefit?
I'll help Aoba get a member recommendation
!!

So
Will you let me do it?

Lend me your right hand ♡
At any rate, is there a catch?
I'll look for someone my self!!

It's Aoba's hand
It'll be good



I don't
Are you for real?!
Don't you have any pride?!
He he wouldn't touch another person just like that?

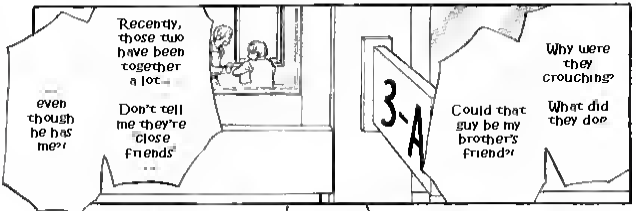
I would trade it all in to be touched by Aoba
I do have pride
but
What do you say, Aoba?
Doesn't he just want to make fun of me?
Get down
It's less conspicuous
What is this?

You'll start to feel good
Katsuragi...
Seriously!
shake
shake

Katsuragi
what does he truly feel for me?
dead
Wait...
uh
Feels good...
Sex Pistols

Wash your hand properly
I'm going back to the class room
Got it

He's not a second year student I can't see his upper body!
Whaaa!! They got up!!
T.T nii san=older brother
It is strange, but— can he just be eating?
Nii san! He's licking his fingers!! WHY?!



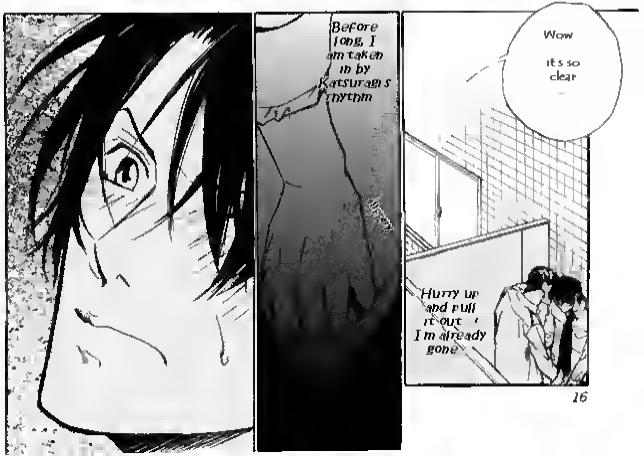
Recently, those two have been together a lot— even though he has me?!
Don't tell me they're close friends?
3-A
Could that guy be my brother's friend?!
Why were they crouching?
What did they do?

The after noon class already started
I'm going, Haruna!!!
Aren't you his little brother Nachi?

But I have a Brother complex, so there!!
Aren't you able to see Maki-san at home any time you want?
Something is weird
Excuse me
Katsuragi's glance just now is somewhat
Who were you thinking of getting a recommendation from?
Ah!
I think that I might have feelings since that time. I've been anxious.

All the current members would be willing
Aren't I doing a good job?
I can do it on my own if I want
This guy is truly shameless
!?
Don't say stuff like that
Let me help you
slam
This time, it's my turn ...
... I'll do a "good job" ...
You need help O-OVER HERE!!
I don't need it!!
Don't bother
Wow, this is bad
It seems to be leaking
sfx: rattle grinding teeth
Hurry up and do it then, idiot!!
カリ カリ
ビリ

!



Before long, I am taken in by Katsuragi's rhythm
Wow
it's so clear
Hurry up and pull it out, I'm already gone

grab
me, too...
Hurry...
It got hard, huh...
ahhh
bbb
I don't have a hand-ker-chief
Here I came

Do you get
Why I'm
So wet?
Say
Hurry
Wow
It feels amazing
I'm coming
Hu
hurry
sfx splurt

Isn't there something wrong?
Hn
the grip
Didn't he give me the initiative?

who
You are Nagato Aoba-san in the advanced first year class A, right? My brother is in the same class

This uniform is the a second year student?
Katsuragi? Are you that guy's little brother?
Katsuragi Nachi
TL: based on their uniforms, Nachi and Haruna are in middle school
My brother is mine! You hear?
What kind of friend are you to my brother?
My brother is...
What the hell are these guys?
What kind of comment is that, Nachi?
Katsuragi is...
But... but... I haven't heard from my brother that he's got someone!
Are you his favorite friend?
Are you close?

Did he say favorite?
sfx: thump (heart beat)
Sorry, it's one sided
I don't have anything to do with that guy
I'm just using him
tch
Favorite friend, huh?
Unrequited love does have its hardships, I suppose
.....
I won't forgive that bastard!!
What does he mean he's just using me!? Like me?
Nachi, that's the first bell for second years, Let's go back!
Weird siblings

That is the student council room.
I want to do it with Katsuragi, after all—

What the—? Isn't that Katsuragi announcing a candidacy?

Aren't the third year students retiring this term, president?
Yeah, well—
Ah! But since I'm planning the reelections.

Because things are hectic, you should run without hesitation, don't you think?
Maki—

Aoba

An acquaintance what sort of relationship do they have?

You should have let me properly introduce you.
It's fine, after noob classes started already
Enough already
I'm seriously whats wrong with me?
Aobat
Let's fool around a little
I said I was fine!!!
Sfx: pull away
What's bothering you?
You are!!!
What?!

You do know that...
...most of the student council is dominated by the internal university-bound group?
That's exactly what I meant I'm going to change it
tch
I don't need your help anymore!
I'll do it alone!!
It won't pass and you won't be able to do it
I'll beg on my own! Even if I have to lower myself, wouldn't that be better?
Aoba

Even though I think you're amusing— you'll lose to the system
You must keep your head held high.

Katsuragi—

Huh, Katsuragi?
You're so late
Sempai
tch

So?
The user will be used, huh?
tch

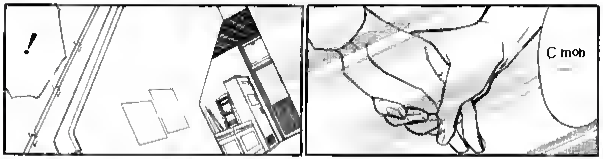
the push
Don't do things for your own benefit

The first bell already rang, Maki.

The matter I mentioned a little while ago: Nagato Akira's candidacy announcement
This is my recommendation...
he's pleased to meet you!

I don't need your help!!
My feelings shift... whenever Katsuragi does something...
I won't help you...
...wouldn't befriending a popular guy boost your own popularity, too?
I'm getting hot...

Why?
At any rate, don't you just have ulterior motives?



C mob
!

Is it okay to kiss you?

I didn't say it was okay!
But, you didn't hit me for doing it.
...tch

Sfx: rapid heart beat
Inside my body
Aoba
...tch
I don't have any will power

Stop
let me go
It'll be fine
Aren't we both aroused?
I'm getting hot
What's going to be done?
As it is
we won't make it back to the classroom
I have the spare key to the student council room
you've reached my heart
I knew it
I can't change the second year department after all

sfx: squish
I know that...
Just hurry...
Isn't it strange... My body...
CAN YOU REALLY... GO BACK... LIKE THIS ...?
Do you really feel like going back to the classroom? Class already started, though
sfx: slap
So... Isn't it good...?
I'm sensitive everywhere
I'll take my time pleasuring you slowly

No
Katsu-ragi
I'm not enjoying this
I—
This is—
Everywhere he touches throbs
Sgt. holds down
I knew it—
Stop
Aoba

Is the body the only thing enjoying this?
Do you want me to do you a favor...
Just for your body?
You don't think much of me? However, you like to do the H, Aoba?
ddd

T.L. #=hentai, perverted

sfx: heart beat

sfx: stroke

Is this the first time you fell in love, too?
I
tch
I—
This kind of thing
my first time was when I did it with Katsuragi
This is—

sfx grab
bbb
bbb
ha...
haa...

Katsuragi...
I hate you
I just like your body!

I heard your heart's voice

sfx: touch
Katsuragi...
Don't fuck with me!
ah...
uh...
sfx: slip
really excites me—
Aoba's hand—
hhh

I was touched by Katsuragi...
tch
Fu...
nn

Life punch
Katsuragi!!
... lend me your ass
We can do that right after...
When I get back from my 6th period
I won't go up those stairs!
I'll be with you until the student council elections and that is it!
I'm feeling something that perplexes me!! I shouldn't like this guy
That's all the time I need
I will make you like me

The exam that the outsiders have to take to get accepted into the advanced courses is extremely difficult
I barely made it into the Prestigious Yamato Academys High School department
TL NOTE: BY OUTSIDERS THEY REFER TO THE ONES NOT COMING DIRECTLY FROM THE MIDDLE SCHOOL DEPT
TL NOTE: THE RAW READS "ADVANCED DEPARTMENT" WE BELIEVE S.H.S. SCHOOL

By that MARGIN... I was the one who passed
Aoba...

I do not lament the fact that I'm falling in love with Katsuragi

We know this page looks awful, there's just so much we can do...

He's an understanding person though
My objective is to get rid of this cold academy's differentiation in social status towards external students
I'll accept it for now
So, I'll be the bad guy
Say, Aoba... Let's jerk each other off? ♡

If you just let me do it, Aoba... I'll make you feel good... that's all.
SEX: PUSH
I knew it, it's no go huh?
Katsuragi !!
!
My bad
I can't believe what an easy life 'inside students' have!!
Don't we have to plan my student council election strategy? Get serious will you?

TL NOTE: MAKI DIDN'T HAVE TO PASS A TEST, SINCE HE WAS IN THE MIDDLE SCHOOL "ATTACHMENT", HE BASICALLY JUST GOT IN THE HIGH SCHOOL "BY DEFAULT."

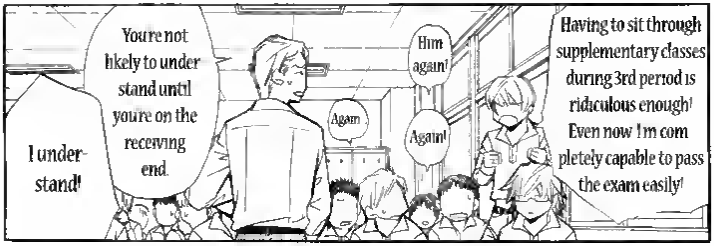
Were in a class room
Ka
Katsuragi!
SFX: SHUU
When I see Aobas serious face I get hard

SFX: STROKE
Ah
Listen ... to what I'm saying do it by yourself ... I'm going inside
I'll wipe out that expression from your face

I'm not a bad guy!
What is that?
That you like me too... don't you...?
Are you feeling it already, Aoba?
Touching me in such a way it's pretty much obvious
Hn
I'll let you come if you say it... Aoba?
That's no ah
My body just won't obey my commands
Eternal Dream

Ah..
It's just listening to what this guy is telling it
I see...
That's alright As long as I can see Aoba's erotic expression
Cover me!! What's your intention?!

Haruna! Nii-san looks like he fell off a chair! We have to help him!
YAMATO ACADEMY YOUNG MEN SECOND HIGH DEPARTMENT
Even without your concern, I'm sure Maki-san can get up by himself.
Act properly!
Didn't I tell you to wait?
Why can't he be honest!? This bastard!
All the more reason not to worry Youd better not stick your nose in
Ah
BUT Nagato Aoba is with him too!
Don't ask that of me, sensei!!
Excuse me were in the middle of class so do you mind Katsuragi-kun?
EH... Why!?



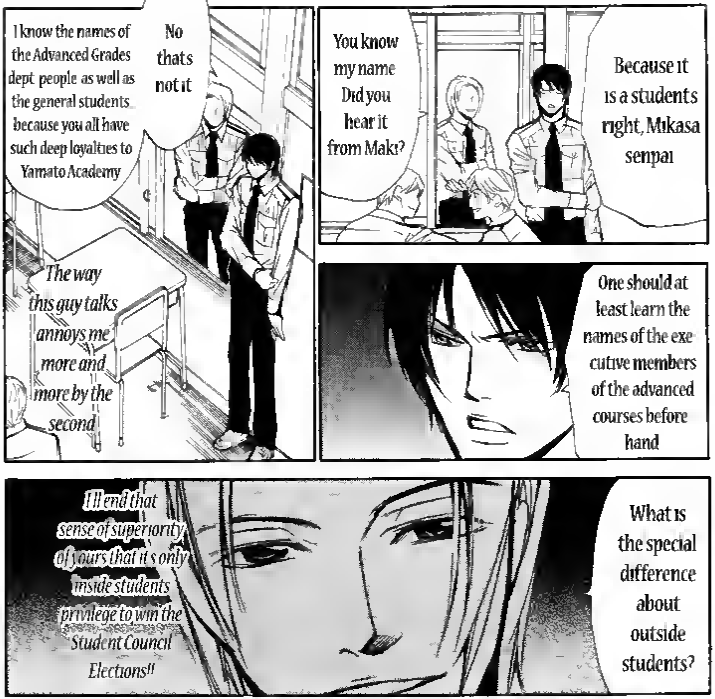
Having to sit through supplementary classes during 3rd period is ridiculous enough! Even now I'm completely capable to pass the exam easily!
Him again!
Again!
Again
You're not likely to understand until you're on the receiving end.
I understand!

Nagato Aoba
If he's bullying nii-san, I won't forgive him!!
SECOND GRADE CLASS
ADVANCE CLASSES ROOM
Tsk...
Continue the lecture please Sensei.

But... I am Katsuragi Maki's little brother!!
Therefore, making your behavior toward Maki-san all the worse, Nachi

1-A
I don't have that kind of guts and honesty
Katsuragi... did such a thing yesterday at that place with such a straight face...
I also think that about you
Being an external student and yet, wanting to enter the student council election eh?
This person is the sempai who was with Katsuragi in the student council room

*REFER TO CHAPTER 1



I know the names of the Advanced Grades dept people as well as the general students because you all have such deep loyalties to Yamato Academy
No thats not it
The way this guy talks annoys me more and more by the second
You know my name Did you hear it from Maki?
Because it is a students right, Mikasa senpai
One should at least learn the names of the exe cutive members of the advanced courses before hand
I'll end that sense of superiority of yours that it's only inside students privilege to win the Student Council Elections!!
What is the special difference about outside students?
!
Maki and I are special too, don't you think?

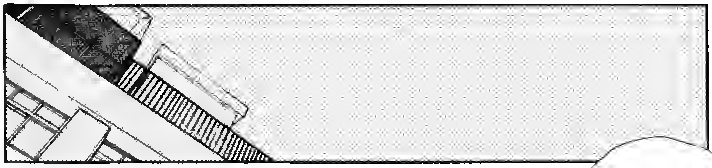
Tsk...
Since you and I have somewhat similar personalities to Maki's... I think you had better give up...
I'm just looking out for you.
Many things have happened to the High School Executives...
I know Maki better than you.
And yet, he doesn't know that Katsuragi is falling for me...

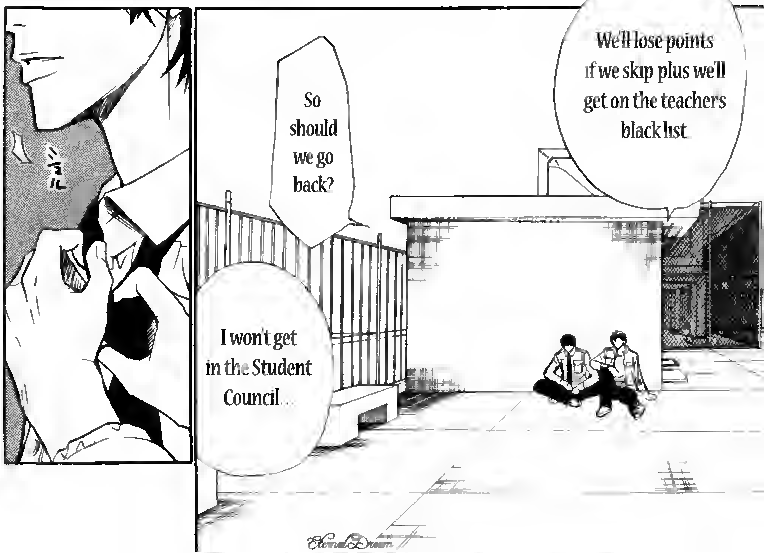
Who knows!? Maybe he had something else to do?
Wasn't that Mikasa Ren san just now?
Did he come to wait for the recommendation letter too?
What the hell!? That guy makes me sick!
Aoba!

EternalDream

Who the hell is upset!?
And Katsuragi! That guy knows some things about Katsuragi
Are you upset again?

Aoba What about the afternoon class?





We'll lose points if we skip plus we'll get on the teachers black list
So should we go back?
I won't get in the Student Council...

I want to remedy Aobas bad temper
AGAIN, THIS SOON
Why don't you run for the High School elections Katsuragi?
Pff...I already got tired of all that.
Campaigning for Aoba is a lot more fun
SFX SHOCK
Got tired?
I know Maki
Better than you
Tsk.

Bonds with Mikasa senpai...?
What is his interest?!
In that case, I'll take Aobas eve-ry thing
You're not resisting anymore today?
Liar!
SPY BLOW AWAY
Don't you know how to do it, Aoba?
Just me...
I'm tired of being the only one giving blowjobs...
SPY BLOW
Is it ok with you if I do any thing I want?
Is it better if he did it with me? That guy

EternalDream

I guess its alright if youre in a bad mood.
Katsuragi...?
Being depressed is useless
What the hell is that!?
Wha
SFX: DOOR SHUTS
Youre the one who called me out here!!
Yeah, that's right. Sorry about that Aoba.

Eternal Dream

STUDENT COUNCIL OFFICE
Is President Kodaka here?
SFX DOOR OPENING
What's up, Katsuragi?
Well then leave the running around to me please
You came to see if Aoba-kuns letter of recommendation has been prepared.
It depends on the public office as well as me though We'll make an announcement later
Alright, then I'll announce the candidacy as well
That idiot .. What does he mean by 'useless'?!
He should be happy because I like him!
I would if that was me
Eternal Dream

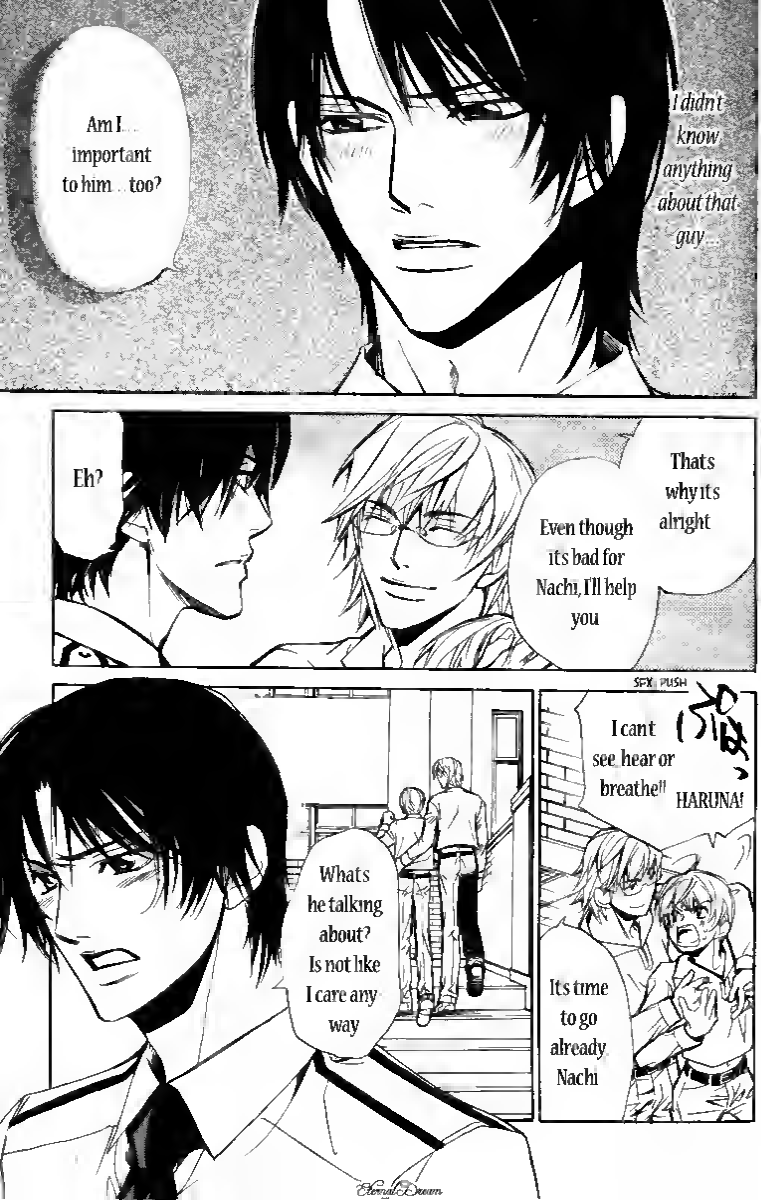
Is that what made Katsuragi mad?
If I only blew him... Maybe then he would have understood...!
I found you Nagato Aoba!!!
Since supplementary classes start in 9 minutes, and it takes Nachi 4 minutes to walk to the middle-school campus, we got 5 minutes to talk!
Got it!!
Why don't you just go back? I don't feel like seeing Katsuragi's little brother.
This weird little brother again...?
Aren't you just sabotaging my brother doing your school work!?
How did you make him do it!?

EH?
If you make my brother do it again
We were not...
Even if you were having fun together a little while ago in the class room!
I don't know
What the heck does that mean? So where is my brother?
Didn't you guys just separate?
"He left me alone and disappeared."
I haven't seen him since 1st period.
Well then in that case should I go back? to my

...!
!
Could it be that something is depressing you, Nagato Aoba?
That's not it...
What are you doing all of a sudden!!
Just a good luck charm to get rid of your worries
And for the wrinkles on your forehead to disappear too
What the hell is he thinking?! What pervert siblings!
To do something like this!
It works well on my brother

At this age sleeping bathing together isn't it disgusting?
But
Nachi!! Don't say it has nothing to do with it !
SEX GRAB
MY BROTHER IS NOT A PERV!!
Even if we sleep together take baths together that has nothing to do with it!!

I want to remedy Aobas bad temper
Being depressed is useless
For that guy his little brother is really precious
Aren't you the same?
Eh?



I didn't know anything about that guy...
Am I... important to him... too?
Eh?
Even though it's bad for Nachi, I'll help you
That's why it's alright
SFX: PUSH
I can't see, hear or breathe!!
HARUNA!
It's time to go already Nachi
What's he talking about? Is not like I care any way

Laughing by yourself... That is weird
But it's not like I want to see him or anything...
That guy Katsuragi might have really gone back home already
But even so, it does make me kind of happy

Mikasa senpai
That doesn't suit Maki either...
Would you please not disgrace this fine institution?

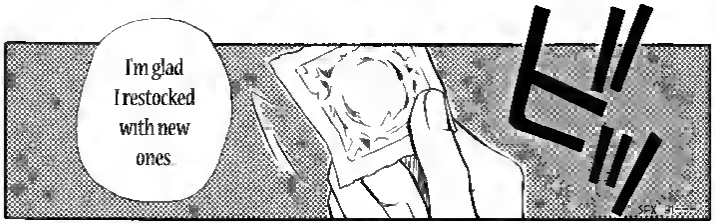
Ah how about I tell you the story from a little while ago?
Maki went to the Student Council office
!?
Ehh you didn't hear? Ooh, he might have gotten tired of your company
Ah... Are you worried? About Maki, that is
If it is a stupid old story, I don't need to hear it
You're wrong.
Ah..
Good luck charm was it
Katsuragi ...why?
Tsk..

He went there for my sake.
It is important.
Katsuragi wouldn't just disfavor me.
But I don't want to see that happen.
Who knows
Am I losing to that little brat?
What's with that self confidence!?
Maki!!
President
!!
Isn't it?
What an amazingly trusting relationship eh?

Katsuragi
If we worked together wouldn't we create the strongest executive team there is!?
There still isn't a good enough candidate sure to be elected
Explain yourself Katsuragi!!
The recommendation letter you need is prepared by me, the chief officer only by request of the student committee chairman
Wait a second! Are you planning to approve the both of us?
I knew it
Even though you aimed to become the head of dept It's doubtful Ren san will drop out of the race
Maki!? Do you think that I'd drop out?!
It wasn't wrong
Naturally

To our Election strategy planning meeting
AREN'T YOU GLAD I'M BACKING YOU UP?
Maki...
I guess is because, the current Katsuragi is with me
What is it with that attitude? Why is he siding with that external student!?
I'll let you hear the reason why I decided to run for an official post too
Let's go Aoba

That guy... he's going around as he were his boyfriend or some thing, don't you agree?
Maki...
EH?
They most certainly did not conclude anything!! Those two
Although that's only if he wins.
Those two seem to have concluded things well right?



I'm glad I restocked with new ones.
SFX: HIT

SFX: SHOCK
Always with the feel good crap.
Oh?
You owe me an explanation!! Did you skip just for that!?

Since the executives are busy why don't we have an after school date, what ya say?
So you decided to stick with me the whole time after all
Don't you just want to do the H?
H/ ECCHI/HAVE SEX
When I'm near you I get the urge to pound on you
!!
Ah...
Besides, I want to see the cause of yesterday's foul mood

Enough, don't do it!!!
I'm so doing it!
Can I do it?
Why do I have to be with this guy--?
Tsk
Even understanding the influence he has on me...
Ah...
I'm burning down there
キュッ

SFX: SUCK SUCK
It's...no good...
Why can't I just do it!!
Didn't you get big. Should I use my mouth on it ?
It's smaller here though...
Stop.... Not there...
EH?
May I put it in...?

SEX SLIDE SLIDE
in such a place ?
Why are you sticking your finger

Since it's feeling so good
Wa Wait
If I can get to feel that good in there...

In places like this for instance
Ah experience, you mean?

I don't remember well, but I think 8 people
Have you been involved with that many... at school?
Nah... just making out ya know here and there
Making out...!? Such as doing that and this and also those with Mika-sa... no doubt!
I have been with just one person though
He'd better have been the only one!!
I don't wanna hear it!!
You heard of him? His name is Yura-san hes a second year

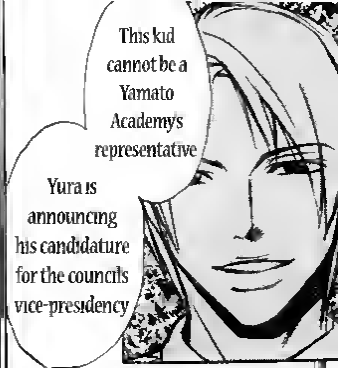
SFX WHOOSH
SFX FIST CAUGHT
You heard of him? His name is Yura-san, hes a second year
Hmph
Did he say... Yura?
I see, so this is the guy Mikasa hates so much?
Katsuragi's ex-boyfriend...!!

Is this my rival for
Katsuragi?



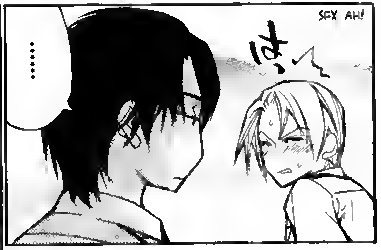
This kid cannot be a Yamato Academy's representative
Yura is announcing his candidature for the council's vice-presidency

!!

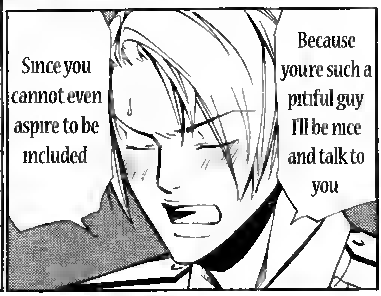
Did you see Mass new production "Breath"?
In the latest episode
Ah~
I saw it! I saw it!
It's been a while Yura san!

Did these guys really break up? What the hell is up with this normal conversation!
Eh? For real? That's a great design, I like that style!
By the way, I bought a chain, I attached it to a leather strap
THE three friends.
How nostalgic!
Since I know all about their dealings as well, I can partake in this conversation with no problems
Eh? Are you feeling left out?
Man, it doesn't get any better than that!
In the state it is!! That's pretty bad!
Do you still use that 'strap' we cracked that time at that place
I guess it can't be helped, Maki used to be completely influenced by Yura

Tch
Is this for real?
Katsuragi being influenced
Is a feeling I can understand well



SEX AH!
.....



Since you cannot even aspire to be included
Because youre such a pitiful guy I'll be nice and talk to you

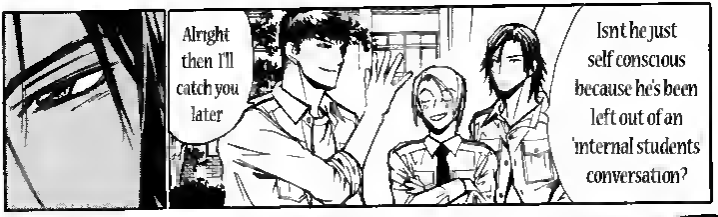
Where are you going Aoba?
To the classroom!

Huh

The atmosphere got like this

I can't help it!! Yura-san
Right Aoba?
I'm going back by MYSELF!
Hey, wait up, let's go back together
!?
I thought he was Mikasa's rival
Why don't you just give up on that guy?
What an unusual type you chose
Sex friends!? Who the hell is such a thing!!
For real!? You thought we are sex partners?!

Aoba?
He's going back though
HUH!?
He is my partner and I'm the one who has to deal with him
Yura san if you say stuff like that you'll find yourself in the middle of a fist fight!



Alright then I'll catch you later
Isn't he just self conscious because he's been left out of an 'internal students' conversation?

Yeah I really like him
He doesn't deserve you Maki
Are you going after him? He ran away because he got jealous

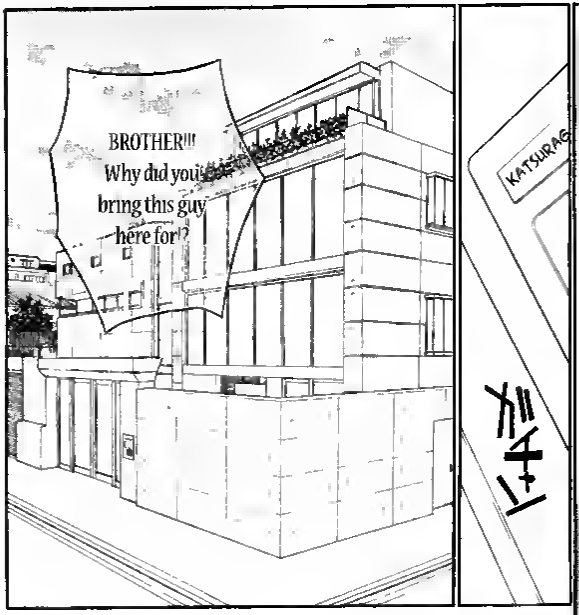
Isn't it my imagination? I grew three more centimeters so I'm now one centimeter taller than Yura-san
I am
You're not cute at all Maki
.....
EH ?
Is he bullying. I don't really wanna fight Maki
What's in with this atmosphere?
SEX DASH

Dummy by mid year I'll be two centimeters taller
I'm still growing
This is not a height contest!!
Weren't we supposed to declare war and damage that freakin' Aoba!!
Sorry, I got distracted reminiscing with Maki
I considered it but this is only about Nagato Aoba Right?
Did the idea of a chance to get back with him make you change your mind?
Mikasa
I am serious
About the vice presidency
Eternal Dream

Even though he said ex boyfriend' is it really the ex? What am I now?
Haguro Yura ?
Who else did Katsuragi have these feelings for?
My first partner
My first kiss too
But
He says ex boyfriend
Is what Kasuragi has been to me

Did you finish prepara tions?
What is it to you?
Lets go back.
Aren't we stopping over my house?
AH !
In that case... you wanna come to my house after school?
To do it for the first time...
I'm going back home I didn't promise anything!!
Or was it Katsuragi's first Haguro Yura?
I knew it! Are you anxious? about Yura san
I'm not anxious
Are you still scared, about doing it?
I just don't feel like DOING it!!

Alright!! Let's go!
EH? Where?
If that's the case, then I don't mind keeping you company
I don't have a reason... to refuse.
So, are we going to work on the draft for your candidature announcement speech?
.....
To my house
We'll sleep on the floor, so it's ok if we tumble around
We'll eat some pastries too
At school, at fast food places, every where Katsuragi is the same



If I did roll over in my sleep in Katsuragi's room

It would really feel good.

Sorry for the intrusion.
That's right, that's this sibling... Katsuragi's little brother.
WELCOME BACK BOCCHAN
We're gonna work on the student council candidature speech
What about helping me catch up?! for tomorrow's middle school department tests?!
Don't I get some time off as a citizen of this country according to law?
Of course!!! But I am my brother's little brother!!!
It's gonna be your fault if I do badly!!
Whats it gonna be?!

TL: "BOCCHAN" MEANS YOUNG MASTER.

TL: "CITIZEN RIGHTS" IS THE SUBJECT KATSURAGI'S BROTHER IS STUDY AND KATSURAGI HERE IS MAKING A FUN ABOUT HIS "CITIZEN'S RIGHTS.

EternalDream

When we finish, I'll help you for sure
Really? Would you read the text book to me until I go to sleep??
Ah— Yes, Yes...

My room is on the 3rd floor
Your little brothers "Brother Complex" is 100% your fault, Katsuragi!!!

I'll read you every single line from the textbooks and don't forget them, you hear?!
Uh-huh!
SFX: KISS
OH MY, WHAT A CLOSE RELATION-SHIP. THEY HAVE HO HO HO.
What kind of sleep study method is that?!

You too have a slight brother complex
Let's end this quickly! If we take too long your little brother will put a curse on me that will no doubt kill me!
"Brother Complex"? Aren't you and your little brother like that too?
Here is my room

SFX DOOR SHUTS
You think I'm going to end it quickly?
Ah
deceived Katsuragi?
However did I too
Coming here with the excuse of preparing the draft
Nn
Giving the impression I'm doing it against my will
Ah ah
Eternal Dream

Aoba...
First time fooling around
What is sex going to be like?
SEX THUMP THUMP
More than touching, or letting him suck me as I've done all along
It's more that it has been until now
Would I feel good doing it?
SEX THUMP THUMP
Should we look at the materials I started 4 days ago?
So can you use the computer? The plug is over there
Since the printer is connected

In that case, what the hell was that kiss from before for!?
Isn't learning by oneself Yamato Academy's tradition? We have to use words that the students will feel identified with
Did we really come to work on the draft...?
Materials? Computer...
The problem is not the content but the commmment right?!
I can prepare my own speech draft!! Even if we flatter, it won't change the meaning.
The opponents still haven't made their move We'll keep it straight
Doing it in that manner Aoba, you won't win against Yura-san
That is the principle
Although Yura is acting suspicious this year he's actually suited to be an effective candidate... man, this is annoying!
Even though there are a bunch of students that could have been nominated
The fact of the matter is that connections among the inside students are strong
Is that guy better than me?
Eternal Dream

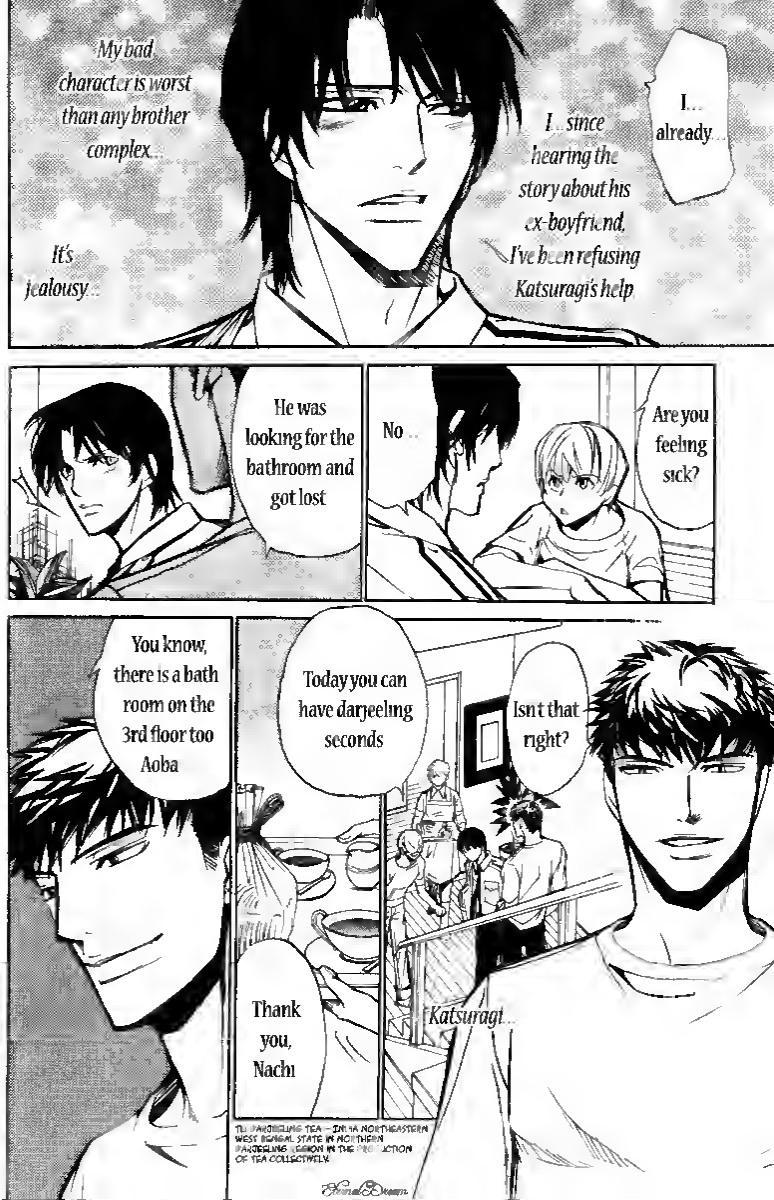
I think I'll do this on my own after all Just go tutor your little brother Katsuragi
Yura-san this Yura-san that
First of all, it seems we're able to take some votes from Yura-san little by little

Aoba

Being by my side must be bothersome...
If I were helping him I wouldn't be praising my ex-boyfriend

SFX: DOOR SHUTS
Even though I know that is not the reason
Isn't it better than the actual fact

I'll get elected even without Katsuragi's help
You cannot stay up this late Nachi san
I'm sorry Fubuki san
The orange peels need a little more steaming, so you won't be able to get any
ROGER! I'LL WAIT!
Is that alright? I do have some tea
Won't your citizens studies drop behind?
I see so that was it?
But you know
It seems like today I won't be able to have snacks with nii san, so can I have some now ok?
Thinking that he is only driven on his brother complex in and on itself is ridiculous
Katsuragi did give me priority over his little brother that was sweet too
Oh, are you leaving already Nagato Aoba?
I was bringing tea upstairs right now Are you not staying for dinner?



My bad character is worst than any brother complex...
It's jealousy...
I... since hearing the story about his ex-boyfriend, I've been refusing Katsuragi's help
I... already...
He was looking for the bathroom and got lost
No...
Are you feeling sick?
You know, there is a bath room on the 3rd floor too Aoba
Today you can have darjeeling seconds
Isn't that right?
Thank you, Nachi
Katsuragi...
TEA DARJEELING TEA — DRUNK NORTHEASTERN WEST BENGAL STATE IN NORTHERN DARJEELING. GENIUS IN THE PRODUCTION OF TEA COLLECTIVELY.
FinalDream

Im sorry
You liked me so much...
Alright
Even so?
Am I going back? To your room
Thanks!
Didn't I handle things badly?
Ah
I was wrong.

Since Yura san is a really strong contender
Enough already!!! I got it! But this is about us getting elected!!
I wanted to wait until the student council elections are over before being together
Right
But just as I thought all it took was that one kiss to be the end of me
SEX PUSH
ドギ
Makes me really hot
Aobas jealousy
This coldness Can we really work like this?

Aoba
Can I?
You can't wait until the elections end can you?
Do you know when will the end be?
Until the end?

Ah...
Jeez, isn't this your first time?
Aoba, don't tell me...?
Just a kiss...
What should I do? Only this and it feels so good
Nn...
Amazing ... you're almost there

Tch
Already
Even though it looks as if I'm coming just from this

My body... it's getting too hot...
Gwa...
It's hot
It's so hot
When it's over will this fever subside?
Sto p it I'm already at my limit
SEX SUCK
Nn...n
Before... it was the only way...
Ah ah...

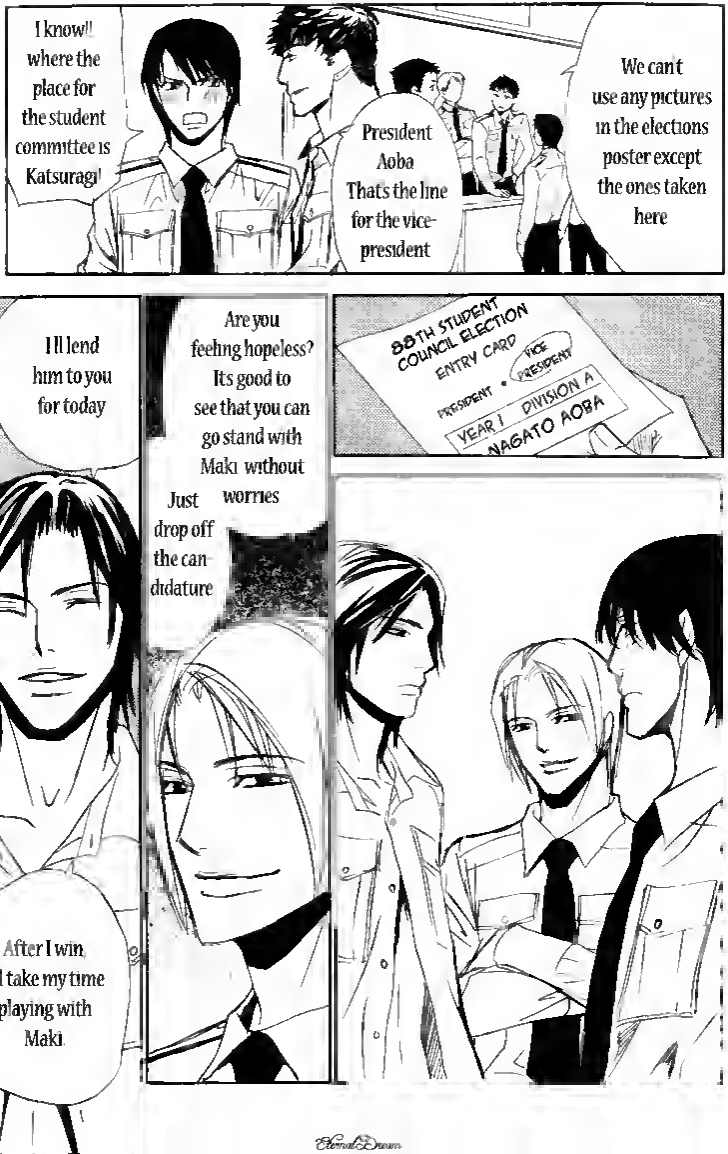
I can't believe he sucked me until I came!
Ah
ah
Nn
I'm hot
Are you provoking me?
Don't you know?
Hf
Eternal Dream

It's hot
Ah
Even if it ends
Even if it ends many times
Surely

This fever won't subside
Ah ah
Hah.
I'm pulling out
Nn
Ah

I still... feel feverish...
Stay like this...
Just a little longer.

To tell the truth, even though I can't move, I still feel full to the brim, here and there
I can't move yet....
Are you gonna use the shower?
Aoba
Alright then, stay there and sleep.
I'll go check up on Nachi.
BROTHER COMPLEX!!
Oh well, it's alright
Please line up to the line of the position in which you are running as a candidate with each entry card.
YAMATO ACADEMY



I know!! where the place for the student committee is Katsuragi
President Aoba Thats the line for the vice-president
We can't use any pictures in the elections poster except the ones taken here
I'll lend him to you for today
Are you feeling hopeless? Its good to see that you can go stand with Maki without worries
Just drop off the candidature
88TH STUDENT COUNCIL ELECTION
ENTRY CARD
PRESIDENT • VICE PRESIDENT
YEAR 1 DIVISION A
NAGATO AOBA
After I win, I'll take my time playing with Maki.

Please don't say things like you'll lend him to me. Because Maki is mine.
YURA!! Are you alright!?
Yeah
I'm not mistaken Nagato Aoba
I got a good feeling about this....
Looks like I'm falling for you ♡

Eternal Dream

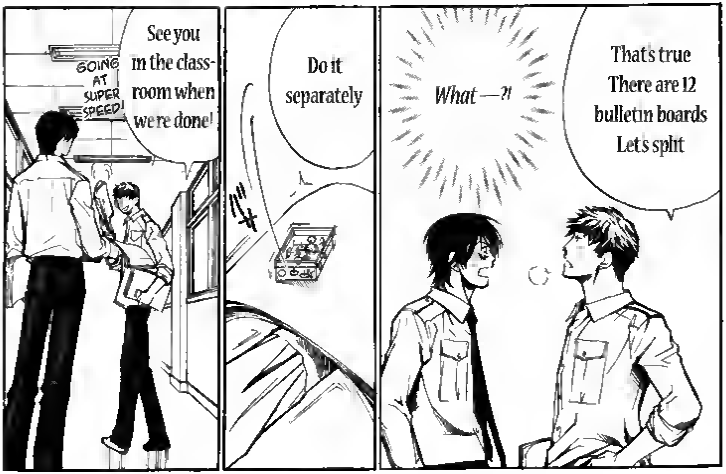
You should've smiled more in the picture
This is a poster for the election. How could I have smiled stupidly like you!
VICE-PRESIDENT CANDIDATE
1 - A
NAGATO AOBA
A-anyway!
Why did we have to put up the posters this early in the morning?
Nm
TUDENT COUNCIL
CUTIVE COMMITT
Who came on top in the last test?
Eternal Dream

You're still jealous?
It's not like doing so will assure winning against Haguro Yura
Because today is the first day for the election campaigns
Doesn't it feel good to be the first?
Fine
I'm talking about the election!
Since there's no one around we can kiss anywhere

If we fool around we can't be the first to put up posters
Ah
!!



GOING AT SUPER SPEED!
See you in the classroom when we're done!
Do it separately
What —?!
That's true There are 12 bulletin boards Let's split

Stopped halfway again!
Whats with Katsuragi?
We cant do anything in the class room!
Ok, next!
SEX PINNING
!!

Nh
In the end you couldn't control your self at all
Not in the classroom now?!
Me too What am I doing in such a place?
Ah
Yet
SFX: TWISTING NIPPLE

A reaction like that is no fun
Katsuragi...
Him, surprisingly obedient
Haguro Yura!?
!?
Doesn't it feel great to be the first?
Maki coaxed you into this right? That guy likes this kind of good sign
Charm littering sort of stuff.
What are you doing here?
But Maki would be glad, wouldn't he?
I came to put up posters too

I hate troublesome things
But I liked Maki that way, kinda cute
So what?
I'm the one going out with him now!
As for the Student Council election,
I won't lose to a guy who runs simply because of Mikasa senpai's instigation
I have things to accomplish,
I absolutely will become the Vice President!
Ah, as I thought, this attitude feels better!
Hm
This guy

EH?
I'm serious about getting you, Nagato Aoba
Yura san
Katsuragi!
Yo, Maki. See ya later, Aoba!
What the—?! This dude!?

It's all because that guy provoked me
Oh, this!
Aoba your clothes
Tch
I forgot
What did you see in that guy that made you date him?

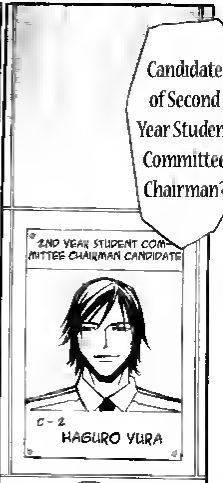
Yeah
And you guys are still friends even now!

No such thing!
Is that some subtle sulking? That's rare Katsuragi
Oh, yes, that's sulking all right
Wish he and I hadn't even been friends!

Are you worried —?
Katsuragi
Could it be that he took Yura's words seriously and is feeling jealous ?
Aoba

候補
Sh-shut up!
Hee
You've become used to this

Could it be ?
He changed his position
So he's not here to mess things up, he is serious
SERIOUSLY!



Candidate of Second Year Student Committee Chairman?
2ND YEAR STUDENT COMMITTEE CHAIRMAN CANDIDATE
C-2
HAGURO YURA
Wasn't he running for the Vice Presidency like me?

DON'T YOU GET INVOLVED WITH HIM, AOBA!
Eternal Dream

Mikasa and Haguro are both your acquaintances!
When did I get involved with him myself!?
An imperative form!?
Aoba
"Don't get involved" is what I wanted to say
Haguro Yura is your ex-boyfriend, yet even now you're on good terms
But we can't do that, Yura-san
Shit, I so fail Don't be impatient Maki
INCORPORATED EDUCATIONAL INSTITUTI
PRIVATE YAMATO ACADE
BOYS' JUNIOR HIGH SCHO
Eternal Dreams

...Isn't it ok? Just the two of us hanging out is fun...
Idiot
If we make out, it'll be even more fun...
Liar. You just didn't want me to do you while you're still a virgin
You're talking about having sex again, right, Yura-san?
That's impossible! Because my family has a rule we can't do that before senior high!
Yura-san...
Don't worry!
We'll ask a girl I can wait till you've done it with her.

Yeah
That's right
Nagato-kun you are running in the Student Council election?
Awesome! All the external students will support you!
What are you thinking, Katsuragi?
Thanks
Yura-san only cared about himself,
his impatience caused damage
2ND YEARS
1ST YEARS
Is he gonna hurt Aoba?
Similarly,

2ND YEARS
1ST YEARS
How're you feeling, Aoba?
Because of you, rotten
Hm.
!
It's all actual poll research
Votes of that sort —
If only Maki and I got elected, but Aoba wasn't, then there will be nothing to set my eyes on.
Ignoring me isn't a good idea To be elected you'll also need internal students' votes
Having a good relationship with an internal student — and an upperclass man no less — will be an advantage

Eternal Dream

Wh why should I?
You don't feel like smiling, right?
Then by walking with me, it'll seem like we're friends
Come on smile!
That's no good Walk with me
This tone... It's really similar to Katsuragi's
Hm... Well...
It'll be easier to understand using graphs to explain in here
BECAUSE IT'S GOT A WHITE BOARD
AUDIO-VISUAL LAB
Then I'd like to hear more details about this poll research

Let's communicate a little Aoba
In that case—
パタン
SFX: POOR CLOSING
No need to be in such a hurry...
Why not give it a try?
Yet if it's Maki, you'd do it, right?
I have no such intention!
You're crazy! Such things can't be compared!
I said stop!
My techniques are better

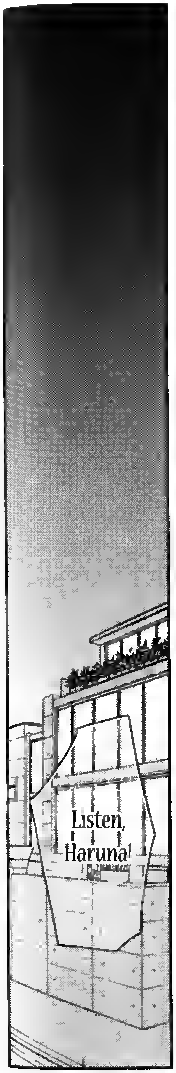
Nice~~
How nice
Aoba showed such a face
!!
It's not like that! It's because I like Katsuragi and he feels the same way...
It's impossible with you! Definitely not!
Nh!
Nn!
Nh!
He's nothing like Katsuragi
This guy is the worst!!

Such big talk? Alright, I'll retreat.
I won't do it with you even if I die!
Stop! Let go!
I'll never do it!
Forget it
If you hit me now, can you really do it? And I'll hit you twice that.
SFX DOOR SHUT

You moron!
Why did you go out with such a guy? You've got no judgment.
Katsu rag!
1-A
Why are you so mad all of a sudden—?
Yeah
SFX: CHAIR PUSHED BACK
Aoba! Were you alone with Yura san?
Nothing!
What did he do to you Aoba?
But that guy is the worst!
You really are an idiot!
Eternal Dream

2-C
I was wondering why you weren't in the classroom, so this was it Yura-san!
Katsu ragi?
Grr
SFX: PUNCH!

Maki
SEX
BOOM!
Whoa! Whats this? A fight?
That guy is a freshman
Don't get close, Aoba!
Katsuragi!
If you get expelled, you can't run in the Student Council election!
...?



Listen, Haruna!

For me
But isn't Katsuragi fighting
for me?
Stop it!

Nii-san brought Nagato Aoba home again!
Shouldn't you be worrying about Maki sans wounds first?
More importantly Nachi
Didn't I say not to come close? Your candidature will be rescinded
Yours will too won't it?
Katsuragi
I was serious about that fight
Eternal Dream

If it hurts, why did you force your self?
HERE AND THERE, DIDN'T YOU KNOCK INTO TABLES AND WALLS?
But you felt like doing it
Don't make it my fault!

Eternal Dream

And for today only!
Hm...
Only today...
Keep your mouth shut!
What the heck...
Really?
Ah!

Why is it already this big?!
Too fast
Mm
Oh no I'm cum ming.

SFX: PUSH OVER
Katsu ragi!?
I knew it! I can't hold back any more!
Ouch!

When I saw Aobas erotic expressions my pain flew away
Oww!
What the hell?
He looked in pain
Because I like you
Mm
And Aoba?
SEX THROBBING PAIN
Even though I do like you—
.....
At this late date
Until you say it, I'd be anxious

But
I just like
you!

Because Haguro kun has been a major benefactor since junior high
Katsuragi kun, too I don't wish to antagonize his father
Presi dent aren't we going to punish the students involved in this fighting inci dent?
How about Nagato Aoba?
Haguro kun asked to give the same treatment to Nagato
No punish ment?! Why?
Who knows?
What's more important is the election campaign, since our necks were spared
1-A
How trouble-some
Alas

FloralDream

Isn't that a junior high student?
He is Katsuragi's younger brother. So cute.

CANDIDATE ADDRESS
About the changes in school I had mo tioned

I also support him!
Thank you very much!
Too much joking around, Katsuragi
I also support him
WHISPER
You have things you want to do, right? Then get elected and do them, Aoba
Why would you —?
